RE: Published criticism of the Local Finance Board

Dear «Hon» «LN»:

Enclosed is a copy of my "Point of View" piece that appeared in some of the Worrall Community Newspapers ([www.localsource.com](http://www.localsource.com)) during the week of August 7, 2006. As you can see, my article is critical of the Local Finance Board, and accuses the Board of "eviscerat[ing] the Local Government Ethics Law and [doing] a disservice to the public."

I write today for two reasons. First, I hope that my article might cause you to reevaluate the manner in which you enforce the Financial Disclosure Form filing requirements. Second, I want to make sure that you are aware of this publication so that the Board can, if it so wishes, respond with an opinion piece of its own. Any submissions can be directed to Ms. Kitty Wilder at [theprogress@thelocalsource.com](mailto:theprogress@thelocalsource.com)

Thank you for your attention to this matter.

Sincerely,

John Paff
